

rapidez.h

```
graph BT; juego[juego.cpp] --> rapidezh[rapidez.h]; rapidez[rapidez.cpp] --> rapidezh;
```

A diagram illustrating file dependencies. At the top is a gray rectangular box labeled 'rapidez.h'. Below it are two white rectangular boxes: 'juego.cpp' on the left and 'rapidez.cpp' on the right. A blue arrow points from 'juego.cpp' up to 'rapidez.h', and another blue arrow points from 'rapidez.cpp' up to 'rapidez.h'.
